Hege Østmo-Sæter Olsnes Riot and Bearsley Go Berrying

Original title: *Rot og Bjørne plukker bær*
 First publication: March 2020
 Picture book
 Age: 2 - 5
 Series: 3 books
 Pages: 32
 Publisher: Aschehoug
 Format: 18,5 cm x 18,5 cm

What happens when Bearsley fills the bucket with berries and Riot eats up all the berries instead of picking? Shouldn't the one who has a lot share with the one who has nothing?

Hege Østmo-Sæter Olsnes shows that it is possible to surprise the youngest readers, create humor and to stimulate the imagination and give the readers something to think about ...

Dag og Tid

A funny and familiar series about two friends who are not always in agreement.

Riot and Bearsley are best friends with completely different personalities. While Riot is impatient, enthusiastic and full of ideas, Bearsley is pensive, precise and concerned with following the rules. Obviously it is not always easy for them to agree on things.

Publisher: Aschehoug

When prince Karl Johan, Kalle amongst friends, and newcomer Lena start to develop warm feelings for each other, Lena is charmed but also sceptic, for many reasons. Party prince Kalle is a regular figure in the tabloids and the gossip blogs – one of them was run anonymously by Lena herself, until she was exposed. Lena is painfully aware that dating the future king might put them both in an impossible situation and she has not told Kalle or anyone else about her even bigger secret, which is also the reason why she moved from her hometown. The fourteen month-old kid at home is not her baby brother. He is her son.

**He carries a nation on his shoulders.
She carries a baby on hers.**

**A love story about living with your
mistakes, conquering your fears
and breaking the internet.**

Original title: *Jenteboka. Nina og Ellens guide til puberteten*

First publication: October 2019

Non-fiction. Age: 12+

Pages: 260

Publisher: Aschehoug

Format: 17 cm x 24,5 cm

The transition from child to adolescent is not easy. The body is changing, hormones take control and the brain undergoes a kind of reorganising. Adults know all about this, but for someone who is right in the midst of it all, it's not easy to understand what is going on. Nina and Ellen says that young girls should not have to resort to googling to find answers to the most important questions about their bodies. They decided to write the book they missed when they were in their teens.

Publisher: Kagge

Format: 21 cm x 26 cm

Did you know that the blue whale is the largest animal that ever existed? That it is even bigger than the biggest dinosaurs? And that long ago, the whales had four legs and lived on land? The blue whale is not only the biggest and strongest animal species in the sea, it also lives a strange and enigmatic life. It crosses the world's ocean in search of huge swarms of krill, small crustaceans that blaze red in daylight and flash blue in the dark.

The blue whale has a dramatic history: in the last century it came close to being exterminated.
